Mr. Hacker,

Thank you so much for taking your time to show us your place of work. It was so interesting for all of us.

I would like to share with you my project for December. We are going to collect food for dogs and cats and give some to Humane Society and a lot to "meals on wheels". Last year they had an article in the paper about the fact that people was sharing their food with their pets in order to keep them.

I really need your help, the Community here in

North is great and we need the  
ple to help us and to know the  
good things we are doing. My  
N. J. H. S. has 50 great kids,  
I'm so proud of them!

Our project starts on Monday  
December 8<sup>th</sup> and will end Wednesday  
December 17<sup>th</sup>. It will be great to  
have some coverage at the beginning  
so that the community could help us.

Thank you so much  
for your help.

Thanks so much for  
including us in the DBCA

had a great time, met with a

with some former BCC members.  
All in all - a great evening!

Dear Ms. Ruddock:

The 8<sup>th</sup> Annual Jewish Music, Art & Food Festival at the Charles W. Eisemann Center was a huge success. More than 3,000 people enjoyed a fabulous day of beautiful art, inspiring speakers, wonderful performances and great food. This day was possible because of your generosity.

Enclosed is the festival t-shirt recognizing all our sponsors - they were worn by over 200 volunteers and staff!

So again, we THANK YOU for partnering with the JCC on this wonderful community event and being part of the JCC family. We look forward to a continued relationship for many years to come.

Dear: Nada

I wanted to thank you for your vision and commitment to service in the community. "Our Voices™" has been received very well and many in the community have already expressed interest in volunteering in some capacity to help with the project in 2004. The rewards received from this project have been many and the \$300.00 donation to the African American Museum is one example of that, because of the advertising support provided by companies like Channel 5.

It is very clear that without your support, "Our Voices™" would not have had its' debut in 2003 and for that I thank you! I hope you enjoy your copy of the publication.

2004 is fast approaching and I hope you will consider being a part of our 2004 publication. If you have any questions, please contact me at 972-681-2205 or [kenna@pomore.com](mailto:kenna@pomore.com).

Again, thank you for supporting "Our Voices™" 2003!

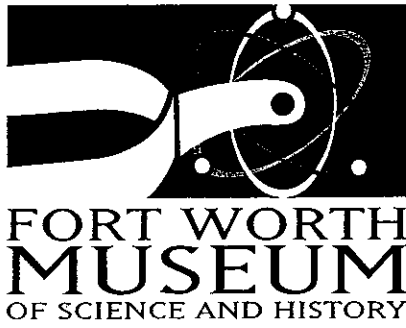

Sincerely,

Dear Nada:

Thank you, thank you, thank you for all you did for our PR Mystery Tour! The public relations students thoroughly enjoyed their glimpse into the world of television. Getting to see a live newscast (and having the anchor acknowledge them) was a real treat for the students. I'm sure few if any have ever stepped foot into a real, live TV station before!

You provided an excellent tour. I greatly appreciate your efforts and for letting a group of students swarm the station. I know how very busy you are, so the time you devoted to us is doubly appreciated. Yours is truly a first-class operation!

I hope and trust we will work together again in the future. If I can ever return the favor, I hope you'll call me.

Sincerely,

Dear Ms. Ruddock,

The Dallas Independent School District has been fortunate to enjoy the support of the "Score A Goal in the Classroom" school incentive program. The support which you have afforded this program has allowed many educators from across our district to be recognized in a positive and meaningful way. Your kindness and thoughtfulness in supporting this outstanding initiative is something for which we are most appreciative.

Our school district is earnestly striving to improve the work that we do with boys and girls. We are endeavoring to ensure that our school district reflects favorably upon the north central Texas area and the Dallas community. Once again, your support of our efforts to challenge students and educators to continuously improve is a significant contribution. Thank you for supporting "Score A Goal in the Classroom." You have my deepest gratitude.

Sincerely yours,

Dear Nada,

Thank you for your support of the 11<sup>th</sup> annual AIDS Walk Tarrant County. With your help we raised over \$112,000, and the money is still coming in. Because of your partnership with the AIDS Outreach Center, every dollar raised by the Walkers is going directly to the AIDS Outreach Center of Tarrant County to serve men, women and children living with HIV / AIDS.

Thank you on behalf of the AIDS Outreach Board, Staff, Volunteers, and Clients we serve for everything you did to make the AIDS Walk a tremendous success. Civic-minded community support from organizations like NBC 5 makes the world a better place.

There is no cure for HIV and AIDS but there is hope against the discrimination and uncertainty people living with HIV and AIDS face each day. With your help, we are able to continue to give hope and basic human services to many people.

Sincerely,

Dear Nada:

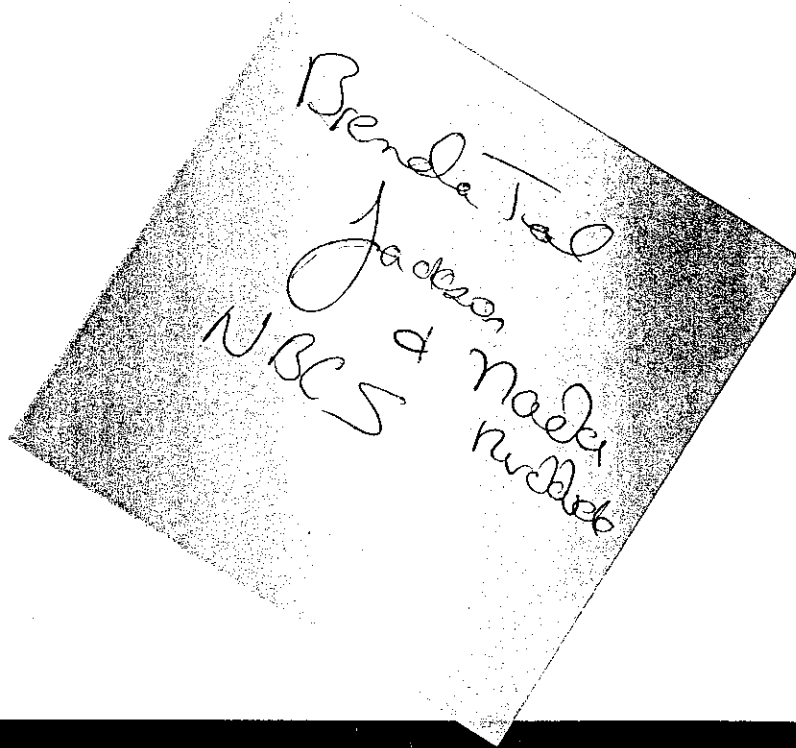

As requested, enclosed you'll find some complimentary passes to the Omni Theater. These are valid anytime and can be used as you see fit. There's an odd number here – 31, I think – only because it was easy to grab without breaking into another pack. When you need more, simply let me know! We can also provide exhibit and planetarium passes, should you want those.

Thank you again for the tremendous support NBC5 provides to the Museum of Science and History. We couldn't do it without you!
